

During the entire month of February you can have a mysterious assignation - or as many as you like. If you're up for a rendezvous, all you have to do is check out one of these books on display. They are all wrapped in paper, and you won't know the identity of your blind date until you check out. Will it be fiction or non-fiction? Funny, informative, entertaining, or heart-breaking?

Each book comes with a 'Rate Your Blind Date' slip: if you're so inclined, you can say whatever you want about it.

Even if your date turns out to be a dud, (don't worry; its feelings won't be hurt), all is not lost! You might get lucky; if not in love, then perhaps in literature.
